

Girl Guides Singapore
Rock Climbing Proficiency Badge
In collaboration with Boys' Town Adventure Centre and The Rock School

Introduction

Girl Guides Singapore is collaborating with Boys' Town Adventure Centre from end 2019 to provide more opportunities for Girl Guides to achieve the Rock-Climbing proficiency badge. This badge is achievable through the completion of the SNCS Level 1 course.

Timing and Duration

Guiders can choose to complete the course:

- on a Saturday, 9 am to 5 pm
- over 2 weekdays, 2 pm to 6 pm (the chosen weekdays should be close to each other)

Venue

Guiders have a choice of venue:

- Boys' Town Adventure Centre, 624 Upper Bukit Timah Rd, Singapore 678212
- The Rock School, Our Tampines Hub, 1 Tampines Walk, #02-81, 528523

Costing

Number of Guides participating at one time: 8 to 12 Guides

Cost charged: \$55 per head

The SNCS Level 1 at Boys' Town Adventure Centre/The Rock School is endorsed under the Sports Education Programme (SEP). Respective Guiders should work with their school administration on to get further subsidy for the girls under the SEP.

Process

Sign up for the course via: <https://forms.gle/VgeMMdqmW8uUHhQRA>

The dates for the program will be confirmed every quarterly, based on Guiders' choice. Any last-minute change of date should be made one month in advance.

Upon confirmation, Boys' Town/The Rock School will send to Guiders directly:

- Indemnity form (including medical declaration)
- RAMS for the event

The indemnity form must be signed by parent/adult and brought onsite on the day of course.

In case of bad weather, the session will still proceed. Boys' Town may arrange for an extra practical assessment.

Guides are expected to be in knee length pants/track pants.

Upon the end of the course, the SNCS certificate will be issued to the Guides.

Guiders can then issue a badge certificate for the Guide to purchase the badge at the Guide Shop.

Boys' Town/The Rock School will issue the payment to the respective Unit through IFAAS.
